

Ontario Association of Children's Aid Societies

The voice of child welfare in Ontario

Director, Shared Services Program

Recognized as the voice of Child Welfare in Ontario, the Ontario Association of Children's Aid Societies (OACAS) has represented Children's Aid Societies (CASs) in Ontario since 1912. As a membership driven organization, the OACAS plays a role in the support of CASs in Ontario as well as coordinating projects and services. With a goal to build sector capacity, improve service quality, reduce costs and enhance the sustainability of Ontario's Child Welfare System, the OACAS has initiated the implementation of a Shared Services Program (SSP).

Reporting to the Chief Executive Officer of the OACAS, this new role, Director, Shared Services Program, has overall accountability for the staff and services delivered by the program. As part of the initial launch of the program, you will be deeply involved in the implementation of the program itself, taking a leadership role in developing foundational aspects of the program. You will support the work of OACAS and its member CASs by collaborating, engaging and working across agencies. You will also be responsible for the oversight of the SSP as it provides a range of services to member CASs to enable them to effectively and efficiently meet the needs of their clients and enable excellence in their operation.

This is a truly compelling career opportunity for a collaborative leader with expertise in shared services, supply chain, purchasing and procurement who has the capacity to manage a large implementation project. As the ideal candidate, you possess an in-depth understanding of group purchasing organizations, particularly as they relate to the scope of services envisioned for the Shared Services Program. As a strong influencer and change management leader, you have a proven ability to build relationships in a complex public sector organization while leading the implementation of operational projects that involve multiple stakeholders. With a vision to enhance innovation and change, this is an opportunity to ensure the sustainability of a sector that is dedicated to protecting and supporting children and their families.

OACAS is an equal opportunity employer. In accordance with the *Accessibility for Ontarians with Disabilities Act, 2005*, upon request, accommodation will be provided by both Odgers Berndtson and OACAS throughout the recruitment, selection and/or assessment process to applicants with disabilities.
