POSITION: Quality Assurance, Research & Outcome Measurement Manager

CURRENT SALARY RANGE: \$87,984 - \$115,617

There is a permanent full-time Quality Assurance, Research and Outcome Measurement Manager position available at our Oshawa office.

GENERAL DESCRIPTION: (Job description under review)

This position will identify and support the Society's efforts to develop the quality assurance program through quality assurance and risk management strategies, research, organizational planning and knowledge promotion. As such it will plan, manage, direct, resource, organize and evaluate its programs and resources in a way that meets and supersedes the requirements of existing legislation, regulation and guidelines as well as Board of Directors policies and standards.

MINIMUM QUALIFICATIONS:

Relevant post-secondary education in social science research, risk management, performance metrics and/or evaluation methodologies, preferably at the Master's level.

Advanced knowledge of Key Performance Indicator implementation methodologies

Minimum 3 years management experience in a social service or healthcare setting with responsibilities for quality and outcomes

Please apply in writing **including a current resume**, to Human Resources, by March 18, 2019 quoting competition CAS # 06/19.

Direct emails to hr@durhamcas.ca

We are committed to a selection process and work environment that is inclusive and barrier free. Accommodation will be provided in accordance with the Ontario Human Rights Code.
