

Peel Children's Aid is a progressive child welfare agency serving children and their families throughout the diverse communities of the region of Peel.

At Peel CAS, our mission is to protect children and strengthen families & communities through partnership. We are currently seeking the following professional to join our team:

Child Protection Worker (Complex Needs – Ongoing) (1 Year Secondment)

Summary of Duties & Responsibilities:

The child protection worker provides for the protection of children as defined by the Child, Youth & Family Services Act. The role of the child protection worker is to assess the risks and strengths of families in the community and to support families in building their capacities to care for their children. The focus of this position will be on providing support services and ongoing child protection through advocacy and inclusion to families and children (both in and out of care) with complex needs. The key responsibilities of this role are on assessing risk, well-being, and planning for permanency through strong collaboration with families, our agency and community partners.

This position may require flexibility to undertake ongoing and assessment responsibilities to support the service level requirements of the Complex Needs team.

This position supports and contributes to the agency's commitments to Leadership, Excellence, Strength Based Practice and Anti-Oppressive Practice along with the Agency's mission, values and strategic initiatives.

Qualifications:

- BSW or MSW degree from a recognized university
- At least one year of related experience in a child protection role.
- Valid class "G" driver's license and daily access to a vehicle are required.

Required Knowledge & Experience:

- Good skills in child welfare case management
- Superior skills and experience in clinical assessment, counselling and crisis intervention
- Good verbal and written communication skills, particularly with recordings and reports
- Knowledge of family services and child in care issues
- Good computer skills
- Proficiency in the French language is considered an asset
- Experience working with complex needs/complex care children is considered an asset
