

Dufferin Child and Family Services is a multi-service agency providing Children's Mental Health, Child Protection and Developmental Support.

The agency currently requires:

1- Permanent full time – ABA Therapist

You are seeking:

- A dynamic professional opportunity to provide support under the supervision of the Clinical Support Team and the Program Manager. The ABA Therapist will work directly with people with Autism Spectrum Disorder (ASD) to deliver Applied Behaviour Analysis (ABA) services and supports.
- A challenging role that offers flexibility, learning opportunities and work within a multi-disciplinary team.
- A unique opportunity to work in a progressive, multi-service agency in collaboration with community partners.

We are seeking: an innovative individual with experience working with children and youth with complex behaviour and mental health needs.

The preferred candidate has experience working with youth with ASD in a caregiver mediated model of intervention.

- Provide intervention supports in a variety of areas, including home, centre, or daycare/community
- Follow and implement approved support plans to address identified behaviours
- Ensure documentation is prepared and that relevant reports are developed and submitted for Behaviour Analyst review within established timelines
- Administer appropriate assessment tools, under the guidance of the overseeing Behaviour Analyst
- Interact and coach/counsel families as per the therapy/treatment plan and schedule
- Report any serious occurrences or concerns to the Program Manager
- Maintain the confidentiality of all client information in accordance with agency policy and procedures

Qualifications:

- Three (3) year college diploma in Autism Behavioural Sciences (preferred) or related field
- Current CPR and First Aid Certificates, and non-violent crisis intervention is mandatory
