JOB POSTING: LEGAL COUNSEL

[Opportunity Details](#)

All candidates must be fully vaccinated against COVID-19

At the Sarnia-Lambton Children's Aid Society, we recognize that:

- There is an over representation of Indigenous, Black and 2SLGBTQ+ families in the child welfare system
- Systemic racism and colonization have shaped how we provide service and have harmed and continue to harm those we serve
- Children, youth and families should have the right to receive service in the language they understand best
- We need to change the way our system works with children, families and communities
- To change how we work, we need to change who we are and how we make decisions

This is where you come in.

If you are ...

- Committed to standing up for people's rights, being anti-racist, being anti-transphobic, and celebrating all the different parts that make someone who they are;
- Prepared to advocate boldly for the changes that are needed in the child welfare system; and
- Willing to actively participate in change ... **then we invite you to come join us.**
